

2023 Nakano City, Nagano Prefecture Recruitment Guidelines for Foreigners Community-Reactivating Cooperator Squad (Draft) (Hire date will be 2024.)

We are recruiting foreigners who have a certain level of language proficiency and an understanding and desire for regional development as "Foreigners Community-Reactivating Cooperator Squad".

Nakano City aims to realize a multicultural society and is working to revitalize the region and promote settlement and migration by having foreigners engage in regional cooperation activities that make use of the knowledge and experience they have gained from spending time abroad.

We are looking forward to receiving applications from foreigners who want to work on community revitalization projects in Nakano City and who want to find new jobs in Japan.

【Overview of Nakano City】

Nakano City is located in the northern part of Nagano Prefecture, with an area of 112.18 km², a population of about 42,000, and is surrounded by beautiful mountains on all sides, and is conveniently located and rich in nature, with the world-famous Shiga Kogen and Jigokudani Monkey Park to the east, Shin-Etsu Nature Village and Nozawa Onsen Ski Resort to the north, and Zenkoji Temple to the south.

The industry is famous for agriculture, the cultivation of mushrooms and grapes is one of the highest quality and production in the country, fruit trees, vegetables, and flowers are thriving, and you can enjoy seasonal scenery and seasonal foods.

On the other hand, there are large stores such as supermarkets and home centers in the urban area, as well as a general hospital, and there are two expressway interchanges close to the station where Shinkansen bullet trains stop, making it easy to access the Tokyo metropolitan area.

Here is a "just right Japanese countryside" where you can feel the nature of the four seasons and there is no inconvenience in life.
